Storage Bag for Pro Series Leaning Post

INSTALLATION MANUAL

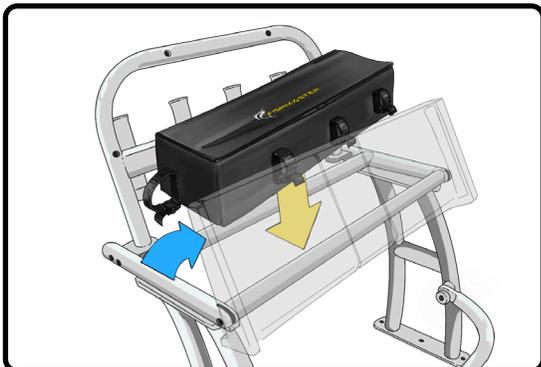

Included Hardware Identification

From freshly-caught fish to tackle and tools, the Fishmaster Storage Bag adds valuable insulated storage space for nearly anything beneath the seat of your Fishmaster Pro Series Leaning Post. Simply strap the dry storage bag to the Leaning Post's tubing and you're ready to go!

Attach Straps to T-Top

1. Lift up the seat and place the Storage Bag in the center of the leaning post frame.

2. Attach each buckle strap to the frame of the leaning post.
